around 4 PM? I sent you the powerpoint presentation but because of its size it won't be delivered until late tonight during off-peak hours....I was wondering if we could use the projection screen that we use at the CAG meetings?

thanks for looking at the handout

Subject: Hand out

Hi David,

I made a couple of corrections to the Spanish fact sheet.

Please let me know what we need to do. What time will you be here tomorrow?

Cynthia
